The image shows a woman lying in bed, covered with a white blanket, stretching her arms upwards with a smile. In the foreground, a hand holds a white smartphone displaying a 'Schedule' app. The app interface includes a back arrow, the time '10:30 AM', and a battery icon. Below the title 'Schedule', it states 'Schedule accuracy is +/- 30 seconds'. There are two scheduled events: '07:00 AM' with 'Only once' and 'Switch: On', and '11:00 PM' with 'Only once' and 'Switch: Off'. Both events have green toggle switches turned on. At the bottom of the screen is an 'Add Schedule' button.
